

Allergen and Menu Information

We do occasionally have to substitute products so you must advise us of any allergies / dietary requirements on every visit as our recipes do change. Please be advised that we do use most, if not all allergens, in our kitchens and we also cook different foods in the same equipment. Allergens information on all intentional ingredients are shown on our Allergens Table.

Should you require further information including 'may contains' allergen information, please order with a server. If you require guidance on non-gluten containing ingredients options, please ask a server.
